

# LED VERSA LIGHT®

## LED VERSA LIGHT® SERIES 450 WITH A COMPACT CIRCULAR LED LIGHT HEAD

### **Not all LED lights are created equally**

The LED Versa Light® provides sustainability by ensuring quality and performance for the long term — minimizing your cost of ownership.

### **Nothing lights up a trailer like an LED Versa Light®**

The LED Versa Light® effectively illuminates the entire inside of an 8' x 53' trailer. Other dock lights feature a 53' narrow beam of light with a spotlight quality; we focus on details like lighting up the sides too.

### **Longer Life**

The patented fan-cooled design allows us to provide a light with superior output, and longer life LED's of 85,000 hours and more importantly, we have eliminated the harsh glare typical of other LED docklights.

**Twice the light output**

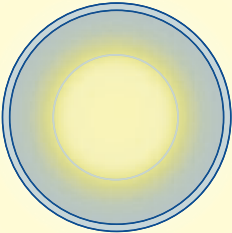

**Withstands sudden impact**

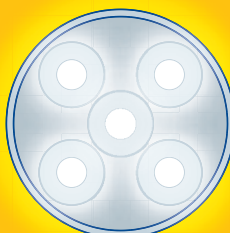

# MORE LIGHT, LESS GLARE.

Colour temperature matters.

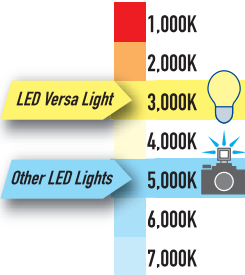

**LED VERSA LIGHT® OFFERS A SOFT WIDELY DISPERSED LIGHT**

**OTHER LED DOCK LIGHTS OFFER A HARSH BLINDING SPOTLIGHT**

**COLOUR TEMPERATURE SCALE**

**LED VERSA LIGHT® DELIVERS MORE LIGHT OUTPUT WITH LESS POWER CONSUMPTION AND LESS ENVIRONMENTAL IMPACT THAN OTHER CONVENTIONAL SOURCES.**

## Model 450 Features

- Easily Positioned
- Durable Construction
- Shock/Vibration Resistant
- Fan Cooled
- Circuit Breaker Switch
- Grounded Plug
- Stainless Steel Flexible Tube
- Welded Steel Housing
- Durable Protective LED Shield
- 23° Focused Lens

## Specifications

- 120 volt, .5A, 60Hz
- Amperage Draw .5A max
- 57 Watt Average
- Adjustable/Flexible Tube
- Solid State Step Down Power Supply
- Built-in Cooling Fan
- Pre-drilled Holes for Easy Installation
- 85,000 Hours LED Life

**Model 450 - 120v**

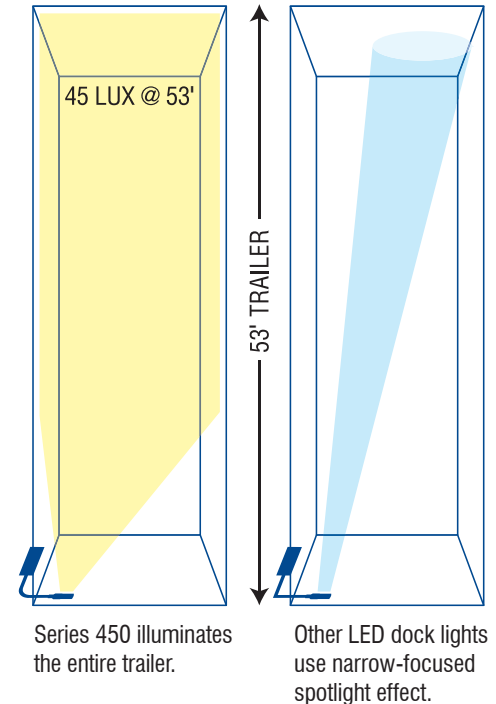

**Part #:** DLGN-VL-450-LED

**Model 457 - 277v**

**Part #:** Consult Factory

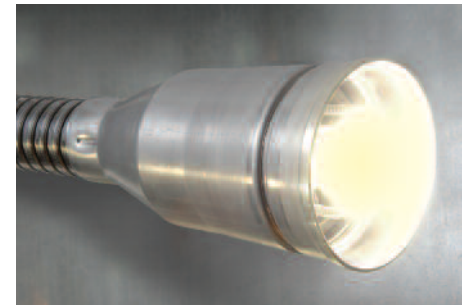

**International Model - 230v, 50-60HZ**

**Part#:** Consult Factory
