

## Pneumatic Scissor

Blue Giant's complete line of heavy-duty industrial Pneumatic Scissor Lift Tables are 100% air actuated and can be used anywhere plant air is available (requires 80 psi at 15 cfm air supply). These units are ideal in applications where hydraulic equipment (oils and fluids) is prohibited. These units require less maintenance than electric hydraulic units with no direct electrical connections, control boxes, or hydraulic cylinders. The Pneumatic Tables feature 24" (610 mm) vertical travel, 33.5" (851 mm) raised height with 9.5" (241 mm) lowered height.

### FEATURES

- Heavy-duty air spring
- Heavy-duty steel legs
- Lifetime lubricated bearings
- Safety hinged maintenance blocks
- Standard hand controls mounted to pedestal

### OPTIONS

- Accordion skirts
- Conveyor\*
- Foot pedal control
- Oversized platforms
- Platform with beveled edges
- Portability package
- Tilt tables mounted to lifts
- Turn tables mounted to lifts

### SPECIFICATIONS

Model Number	Load Capacity	Platform Size	Weight
<b>AF24-10 SERIES</b>			
AF24-10-3648	1,000 lb (454 kg)	36" w x 48" h (914 x 1,219 mm)	820 lb (372 kg)
AF24-10-4848		48" w x 48" h (1,219 x 1,219 mm)	890 lb (404 kg)
AF24-10-4856		48" w x 56" h (1,219 x 1,422 mm)	935 lb (424 kg)
AF24-10-4860		48" w x 60" h (1,219 x 1,524 mm)	960 lb (435 kg)
<b>AF24-20 SERIES</b>			
AF24-20-3648	2,000 lb (907 kg)	36" w x 48" h (914 x 1,219 mm)	855 lb (388 kg)
AF24-20-4848		48" w x 48" h (1,219 x 1,219 mm)	915 lb (415 kg)
AF24-20-4856		48" w x 56" h (1,219 x 1,422 mm)	955 lb (433 kg)
AF24-20-4860		48" w x 60" h (1,219 x 1,524 mm)	1,040 lb (472 kg)
<b>AF24-40 SERIES</b>			
AF24-40-3648	4,000 lb (1,814 kg)	36" w x 48" h (914 x 1,219 mm)	1,000 lb (454 kg)
AF24-40-4848		48" w x 48" h (1,219 x 1,219 mm)	1,040 lb (472 kg)
AF24-40-4856		48" w x 56" h (1,219 x 1,422 mm)	1,115 lb (506 kg)
AF24-40-4860		48" w x 60" h (1,219 x 1,524 mm)	1,135 lb (515 kg)

\*Conveyor top for down position use only.
